Hi Rafik,

I'm following up on our conversation. I spoke with Fred (323) 394-2095, business owner at Sahara Salon at 1810 Hillhurst Ave. He stated that his 2017 assessment is incorrect as he has less than six (6) employees. I informed him that the business owner is also counted and he said that even with himself counted, there are less than six (6).

He also mentioned that he would like the sidewalks cleaned and have the homeless issue addressed by the BID. I encouraged him to meet and talk with the BID Board. This could be a discussion to increase the amount of the assessments for 2018, if BID members want to see more services.

Attached is the form you complete if you want us to change any assessment amount.

Thanks and let me know if you have any questions.

Rita
